Ramón Zapata-Gomez is BioNTech's Chief Financial Officer (CFO). He is a seasoned financial executive with more than 25 years of experience in driving strategic growth and operational excellence across the pharmaceutical and consumer goods industries.

Ramón Zapata has held leadership roles at leading global companies including Novartis AG, Sandoz AG, and Mondelēz International. Throughout his career, Ramón Zapata has led finance functions enabling seamless execution from drug discovery through commercialization, including overseeing M&A transactions and successful integrations as well as driving digital finance transformations. Prior to joining BioNTech, Ramón Zapata served as CFO of BioMedical Research at Novartis, where he was responsible for the overall leadership of the division's finance strategy and operations.

Ramón Zapata is a Certified Public Accountant (CPA) from Universidad Panamericana in Mexico City and holds an MBA degree from IPADE Business School in Mexico City and from IESE Business School in Barcelona, Spain.
